ATM DEPOSIT HOLDS

Due to recent regulations, deposits made at foreign ATMs (non-NVCU ATMs) will be frozen and unavailable for 5 business days. If you are needing immediate access to these funds it would be best to deposit through NVCU ATMs or set up ACH transfers directly to your account or even use the night drop whenever possible. Be sure to call your local NVCU with and questions/concerns on this matter.

TIP OF THE MONTH

-Vacation Time-

It's getting to be that time of year. Every one is getting ready for their annual vacations. For your own safe being, our Visa Debit Cards are flagged and may be denied when they are used out of state. It is always best to call the number on the back of your card to let them know what states will be traveling through and where possible transactions may occur!

Online Banking/Estatements

Want to get rid of all of the paper laying around at home? Sign up for Estatements at NVCU and eliminate the mailed paper statements.

Online banking has also become a hit as of late. You can save money on envelopes, checks, and postage by using NVCU's FREE Online Banking tool to pay bills and transfer money.

Stop by your local NVCU and ask you Member Service Representative how to SIGN UP TODAY!!
