## Message from THE CEO

Nishna Valley Credit Union is celebrating 60 years of service to our members. Nishna Valley Credit Union began as Walnut Grove Credit Union, helping employees of Walnut Grove Feed with their banking needs. Today, Nishna Valley Credit Union serves 26 counties in Southwest Iowa and Northwest Missouri.

Nishna Valley Credit Union strives to keep our fees and loan rates low, while still offering competitive products and services. Unlike a bank, we pay dividends to all of our member-owners. We are a not-for-profit business, and as such, any savings that are leftover at the end of the year are passed-on to our members in the form of reasonable fees.

The staff and board I work with are outstanding individuals. They have made this credit union what it is today. I am happy for the opportunity to work for you, the patrons of the Nishna Valley Credit Union. Please take a minute to email any suggestions and ideas for products you would like the credit union to consider in the future.

Your CEO,  
T J Marcsisak
